- **Try out dry suit diving with DUI or just dive the quarry in a wet suit at Gilboa Quarry in Ottawa Ohio. We took a group a few weeks ago and it was beautiful. This is a nice quarry and diving event. Check it out online. You can dive any number of days Thursday September 4th – 7th. I will travel to the quarry on Thursday morning and be there until Sunday at noon. I will dive with you in the quarry any day Friday – Sunday. This is a great event!! I already have reserved hotel space but I only have 4 rooms reserved (double occupancy). Please let me know if you plan to attend and what days you plan to dive. DUI and Interspiro are offering a Public Safety Seminar on Friday morning where you can learn about some neat equipment we use and get to try it all out on Friday afternoon if you wish.**

We will be on the dive boat Friday October 3d & Saturday October 4th and drive back to Charleston on Sunday October 5th. We need 6 people to make this trip work.**
